

Wholeness and Wellness Personal Survey

How is it with your soul?

Suggestions for honest/faithful results:

1. Pray for the Holy Spirit to answer where you are on each spectrum of health in Him.
2. Place an X where you are presently in your life and put a circle where you would like to be.
3. It is preferred that each person take it individually and where applicable; couples take it together.
4. For more information regarding a discipline, look to the back page for definitions.
5. Objective: allow the Holy Spirit to form Christ's character in you, moving from "Pain" to "Peace."
